Please note a full visual inspection is carried out on all of the components as listed above. We do not have the facility however of carrying out "pull tests" on bungee cords, clips, fasteners or metal components associated with their use. Operators must ensure that they monitor the condition of these prior to each period of use.

PASSED

This inflatable was inspected using appropriate parts of the EN14960:2019 standard.

	This Inflatable must be operated as per manufacturer's guidelines.
